Thank you for being a vital part of our story. Your generous support of the Burlington Museums Foundation helps ensure that our museums continue to be places where people of all ages can connect, learn, and feel a sense of belonging in their community.

We are proud to share our newest initiative: “Your Home. Your Museums.” This campaign celebrates the important role local museums play in bringing people together—something more important than ever. Today, only 45.7% of Canadians report a strong sense of belonging to their local community (Statistics Canada), and a 2024 YMCA Canada survey found that 60% of Canadians feel disconnected from their neighbourhoods.

This is exactly why your continued support matters. Through your generosity, the Joseph Brant Museum and Ireland House Museum are not just preserving history—they’re creating welcoming spaces for conversation, exploration, and shared experience.

Our Burlington Builders gallery at the Joseph Brant Museum stands as a tribute to donors like you, whose passion and commitment have made a lasting impact. You’ve helped us grow and reach new audiences through exhibits, educational programs, and the ongoing preservation of our historic sites.

Thank you again for helping us celebrate, inspire, connect—and most importantly, belong.

With heartfelt appreciation,

John Doyle
Board Chair, Burlington Museums Foundation
